Certificate

Poornakanta Handral

has successfully attended the

COMSOL Multiphysics® Training Course on Nonlinear Structural Materials Modeling

August 5-9, 2024

CONTENTS OF THE COURSE:

Day 1: Introduction to COMSOL Multiphysics®, Geometry, and Meshing

Day 2: Introduction to Structural Mechanics Modeling

Day 3: Introduction to the Nonlinear Structural Materials Module

Day 4: Introduction to Nonlinear Material Models

Day 5: Multiphysics Analysis of Nonlinear Structural Materials
